**SIXTH ANNUAL**

**Hickories-Johnson**

to be held at . . .

**The Hickories**

*Pardeeville, Wisc.  
Saturday, May 31*

**SALE**

*These daughters of Edellyn Royal Leader 17th all sell in this sale.*

Those who need good herd bulls, foundation females, or ideal replacement heifers to give their herds a shot in the arm will find no better place to buy than the Sixth Annual **Hickories-Johnson** sale. The performance of these herds in the stiffest national competition places them in the top bracket of superior Shorthorn nurseries. On this page are pictured heifers to be sold in this sale by Otto G. Johnson. This picture was taken in the winter. Use your imagination and visualize these same heifers with six months further development and you will have an idea of what you will see at this sale.

Study carefully the reference sires in this catalog. Nowhere are there stronger herd bull batteries. Best of all, in the 1952 sale the females are further along in calf than ever before. This means that you can buy heifers that will have their first coupons on grass. Breeders can travel any distance to see this offering without fear of disappointment.

MILLHILLS FADDIST

# Reference Sire A

This is the bull we purchased from Duncan Stewart of Milhills. He was selected not only because of his individuality but because his grandsires have been four of the greatest breeding bulls in Scotland during the last fifteen years .... Collynie State Express, Calrossie Randolph, Aldie Conqueror, and Collynie Mandarin. He is a half brother to Milhills Champion. One of the first calves by Milhills Faddist, Hickories Elect, was sold in the 1952 Iowa Royal for the second top price of \$2450 to Lloyd Burr, Lone Tree, Iowa. Another from the first calf crop, Hickories Elect, now heads the excellent Otto G. Johnson herd. There are three heifers in this sale by him selling as separate lots, a cow with a pair of twin heifer calves by him, and a number of sale heifers bred to him to calve in early fall.

HICKORIES RANSOM 32nd

# Reference Sire B

With Hickories Ransom 32d we are perpetuating in our herd the potent Ransom line. Note also that on his dam's side he traces to two other great lines ..... Edellyn Royal Leader and Supreme Goldfinder.

Through Hickories Ransom 32d we also perpetuate our greatest female line ..... the Augusta Braes. The granddam was the 1944 Wisconsin State Champion. Garguston Augusta Brae was the reserve champion of the Canadian National. We sold Hickories Augusta Brae 2d to Edellyn and bought her back in their 1945 sale for \$1600 bred to Edellyn Royal Leader.

Among other great cattle it was our Ransom line that produced the champion steer, Sutherland All-Steak.

HICKORIES RANDOLPH

# Reference Sire C

There have been many arguments over which is the best bull ever calved at The Hickories ... Hickories Randolph or Hickories Ransom 32d. Hickories Randolph was the Wisconsin State Champion twice, as a senior calf in 1948, and as a senior yearling in 1949. His dam was the state champion in 1942. He is from the same great female family as Hickories Ransom 32d ... a female family second to none.

Secret Consul was an outstanding individual. His breeding career ended after he had sired only a few calves. Note that he is by Calrossie Vice Consul by Calrossie Randolph.

MARELLBAR ATTENTION

# Reference Sire D

The services of Marellbar Attention will be a feature of The Hickories draft this year. Several of the sale heifers will be right up to calving to him and many more are well along. These good heifers bred to him will look mighty reasonable when they are brought in from pasture with grandsons or granddaughters of Cruggleton Allardice at foot.

Marellbar Attention was one of the top bulls of the 1951 Marellbar sale. The record of Cruggleton Allardice calves is well known and we have no doubts about the ability of this grand young bull as a sire. His dam is the granddam of Marellbar Umpire, junior yearling winner at big shows in 1950.

EDELLYN ROYAL LEADER 17th

# Reference Sire E

Purchased for \$2800 in the 1945 Edellyn sale. Without a doubt one of the greatest breeding sons of Edellyn Royal Leader. He is from the same female family as Edellyn Royal Leader 10th, Ohio State's outstanding sire.

Among the many outstanding calves he has sired for Otto Johnson are the grand champion female of the 1950 National Shorthorn Sale at Memphis; the grand champion female of the 1951 International Congress Sale that was purchased for \$1800 by Carson Gibson, Houston, Texas. He also sired the grand champion female of the 1951 Kentucky State Sale and the grand champion bull of the 1952 Florida State Sale.

There can be no doubt of the ability of Edellyn Royal Leader 15th calves to win under the stiffest national competition. This will be the last group sold by him since he died this year. We will sell three sons and eleven daughters in this sale.

RINGWELL FIELD MARSHALL

# Reference Sire F

Ringwell Field Marshall is a full brother to Ringwell Prince Charles owned by T. W. Gavin, Monmouth, Illinois. The Gavins took four calves under a year old to the International Sale last fall and averaged \$1112. They caught the eye of everyone who attended that event. Our first calves by Ringwell Field Marshall are the same kind. You'll be seeing them at prominent shows. We are selling five females bred to him. Although his pedigree is worthy of long comment, we will let his calves, and the calves of his full brother, do the talking.

HICKORIES ELECT

# Reference Sire G

Here is our newest junior herd sire .... a bull admired by all who have seen him. We purchased him from The Hickories and he is sired by Millhills Faddist, a bull that is destined to take his place as one of the nation's great sires. When we saw the first calves by Faddist we asked for the right to select a son sometime during Millhills Faddist's breeding career. From the day Hickories Elect was calved we felt that he was our future junior herd bull.

On his dam's side he comes from the famous Hickories Augusta Brae family and is out of a granddaughter of Supreme Goldfinder. A marvelous individual, we have every confidence in Hickories Elect's ability as a sire. Eight sale heifers are bred to him.
